Trevor King – Reeve

Adam Turner, CMMA
Chief Administrative Officer

September 21, 2016

Attention Twin Lakes Beach Property Owners:

The RM of Woodlands would like to advise property owners that the decision to fill in the channel has been rescinded at this time and that access to the shoreline will now be achieved by utilizing the RM' s road allowance known as Lambert's Road. The Super Sand Bag structures installed in 2014 along the Twin Beaches are still scheduled to be removed between September 26th and October 7th, 2016.
