Donald Walsh – Reeve

Lynn Kauppila, CMMA
Chief Administrative Officer

October 24, 2013

Please be advised that today the RM of Woodlands received a letter from Manitoba Infrastructure and Transportation, advising that they will not fund the Hydro Pole relocation proposal submitted last year which would have seen hydro poles from Lot #301 to #327 be relocated to run along Twin Lakes Beach Road.

It appears that residents will now be required to fund the relocation of their hydro lines/poles on an individual basis.
