Donald Walsh – Reeve

Lynn Kauppila, CMMA
Chief Administrative Officer

June 11, 2014

The RM on behalf of the property owners at Twin Beach made a formal request to the Province to extend the deadline for removal of the remaining Geo Tubes. The Province has approved that the removal deadline may be extended until June 30, 2015. This should provide another level of protection for a good number of properties along Twin Beach Road.
